

ETHELBERT B. CRAWFORD  
PUBLIC LIBRARY

## Health And Wellness Series

Practitioners from Hudson River HealthCare will offer 6 health-related seminars with time provided for discussion and questions at the library this Spring.  
These sessions are free & open to the public.

**The 6th of 6:**

**Khorsheda Ali, MD. DO. FACOG , OB-GYN—**

***" HPV (human papillomavirus) Vaccines "***

Dr. Ali is a OB/GYN practicing in HRHCare in Albany. She received her MD degree in Bangladesh and accomplished a DO degree at NYIT. " HPV (human papillomavirus) Vaccines " The audience will learn that every year in the United States, HPV causes 30,700 cancers in men and women. HPV vaccination can prevent most of the cancers (about 28,000) from occurring. The audience will also learn who is eligible for the vaccine and when the vaccine can be given.
