Town Board

The Forestburgh Town Board meetings are held the 1st Thursday of every month at 7pm in the Town Hall, located at 332 King Rd., Forestburgh. Be sure to check the Town's website at **forestburgh.net** for a list of upcoming meetings, times, agenda and minutes. The July Town Board meeting is scheduled for **Thursday, July 5, 2018.**

Planning Board

There are no applications pending before the Planning Board. The May Planning Board meeting was cancelled because of lack of business, and storm recovery efforts. The regularly scheduled June 26th Planning Board meeting conflicts with the primary election that same day. Stay tuned and check the website to learn whether the meeting will be Re-located, Re-scheduled or cancelled. The only matter on the agenda, should it go forward, is the continuing review of the draft Subdivision Code.

Solar Law Committee

With the Town Board's adoption of the Solar Law at its June meeting, the Solar Committee's work is done. Thank you to everyone on the Committee for your commitment in creating the Solar Law.

Zoning Rewrite Committee

The next scheduled meeting for the Zoning Rewrite Committee will be on Tuesday, July 10th in the Town Hall from 7:00pm to 9:00pm.

Our Town (submitted by Town Historian, Sabina Toomey)

Noticed the new Town Welcome signs? Our Town received the funding for the project from Sullivan County Renaissance. The Forestburgh Renaissance members that did the planning and planting are Millie Hogue, Genevieve Dainack, Nadine Gallagher, Susie Landis, Dr. Bruce and Karen Ellsweig, Sabina Toomey, Joanne Nagoda, Gifford Shriver and our Highway Department. There is more planting to do, and we need your help! Please call 794-0611 Ext. 21.

At a recent Town Board Meeting, a prominent attorney and his staff complimented our Town Clerk, Joanne Nagoda, for her recording of the board meetings. Ms. Nagoda was also recently chosen District Director of NYS Town Clerks Association. Congratulations Joanne.

I would like to send out Thanks for the efforts to clean up after the "Big Blow". After the storm, Mr. and Mrs. Geyson's property is now very visible on Route 42. They are doing a great job of cleaning up their land. The clean-up process after such an enormous storm will take a while.

WARNING! Do NOT use all the storm wood chips as mulch around your plantings. They will kill your plants unless they are aged.
