Forestburgh Renaissance -Our Forestburgh Renaissance projects are all planted and completed and awaiting the arrival of the "Thank you for visiting" signs for the three most visible signs.

The group would like to extend extra thanks to Rich Hugel, Bruce Ellsweig and John Cayea for their help in watering the new plantings. We are always looking for new members to join us and we could really use some volunteers to help us with watering. Anyone who wishes to adopt a sign is welcome to do so! Just call Joanne at the town hall 794-0611 ext. 21 and say you want to adopt a sign! Let's take some pride in our community and give back and join us. You don't need to know a thing about gardening, you just have to enjoy being outside and having a lot of laughs and meeting new people! We hope to see you at our next meeting! A big THANK YOU to the Sullivan County Legislature and the County Division of Planning for awarding the Town of Forestburgh a grant in the amount of \$1,568.00 to pay for the new "Thank You for Visiting Forestburgh" signs that will be placed on the backs of our three most visible signs. We are thrilled to have been awarded this grant funding!

#### **Our Town(Submitted by Town Historian, Sabina Toomey)**

Happy Summer! Remember your sun screen of SPF 30 or higher. Sunglasses are said to help with the onset of glaucoma. Stay well hydrated. Signs of heat stroke: headache, dizziness, nausea and lack of sweat. If this happens, use cool water spray, ice pack to the groin and wrist or arm pit. This helps to speed up cooling down. Stay safe.

Sending out all of the Forestburgh Volunteer's a very big THANK YOU for all that you do and continue to do for our town.

### Summer Camp and Pool

The Forestburgh town pool is now open for residents and guests accompanied by a resident Monday thru Friday 1pm – 6pm and on Saturday and Sunday 12pm – 6pm. Glass containers and/or alcohol are not allowed.

Our Summer Camp 2018 Season has started off without a hitch! The children are having loads of fun doing arts & crafts and enjoying the pool! For our rainy-day craft, we painted pencil holders. Everyone loved painting and their pencil holders came out great!

Buddy Check!! Our well-trained Lifeguards conduct Buddy Checks every seven minutes to ensure the safety of our campers. The children are getting so good at them, that they only take about a minute! After the Buddy Check it's back to the pool! The children's favorite activity is swimming in the pool. Diving for toys, playing All Fish Under, or practicing what they learn in swim lessons. Everyone loves the water! Two of our middle group girls even have matching swimsuits! These girls are part of the Stingers group, consisting of the 7 and 8-year olds, led by Devon Leaney-Levenson and Elijah Rausch. Our little group, the Gremlins, consists of the 4-6-year-olds and are led by Adam Cavello and Cavan Leaney-Levenson. Finally, our oldest children call themselves the Infinity Squad. They consist of the 9+ year olds and are led by Arline McCarthy and Gabrielle Wissman.

We are so excited for the rest of our summer!

This summer season we have three lifeguards heading off to college. Devon Leaney Levenson will be attending the State University of New York at Fredonia studying Sound Recording Tech. Michael Schneider Jr. will be attending the State University of New York at Oneonta studying Secondary Education with a concentration in Physics and Earth Science. Finally, Gabrielle Wissman will be attending the College of Saint Rose studying Music Education with a concentration in Vocals. Due to their departure **the hours of operation of the pool will change starting August 20, 2018.** The new tentative hours of operations will be **2pm-8pm.** These hours will be in effect until the pool closes at the end of the season after Labor Day Weekend. Thank you for your understanding and congratulations to our lifeguards.

**Dear friend:**

Internet access is a critical tool for navigating the world we live in today. Whether you're searching for a job, growing your small business, or reaching out to friends and loved ones, you're probably going to use the internet. That's why I'm pressuring our area's internet providers to bring high-quality broadband access to our area.

In order to continue this fight, I need your help. I have attached a brief survey to learn more about broadband availability where you live. I encourage you to complete and return it to my office no later than **February 28, 2018**. You can also fill out this survey on my Assembly website at <http://nyassembly.gov/mem/Aileen-M-Gunther>. The return address for the paper survey is: *Assemblywoman Aileen Gunther, Room 826 LOB, Albany, NY 12248*

Finally, please remember that my office is always available to help if you are ever in need of any assistance. My door is always open.

Sincerely,  
*Aileen Gunther*
