Applicants Procedure before the Zoning Board of Appeals

Important steps to KNOW and FOLLOW:

The Zoning Board of Appeals meets on the second (2nd) Monday of each month at 7:00pm at the Forestburgh Town Hall, 332 King Road, Forestburgh, New York. If there are no matters to come before the Zoning Board of Appeals, or the requirements set forth below under the caption "INFORMAL MEETING" have not been met, the meeting will be cancelled for that month.

1. PLEASE read the Town's Zoning Law.
2. Obtain a denial from the Building Inspector/Code Enforcement Officer or referral/denial from the Planning Board or a request for an interpretation.
3. You can expect a MINIMUM of two (2) month time frame encompassing two (2) meetings to obtain a decision.
 - a. Informal Meeting at 7:00pm (first meeting) with application.
 - b. Public Hearing meeting at 7:00pm (second meeting) which MAY be adjourned or continued to a subsequent meeting.

INFORMAL MEETING:

1. Ten (10) days PRIOR to the Informal Meeting the following MUST be submitted to the secretary of the Zoning Board of Appeals:
 - a. A COMPLETED application, Nine (9) copies with a copy of the tax map showing the property, in envelopes ready to be addressed and mailed.
 - b. The application fee of \$50.00 must be paid at this time.

NINE COPIES OF EACH OF THE FOLLOWING:

- c. A letter briefly explaining the request
 - d. Short Form EAF (Environmental Assessment Form) completed
 - e. Proof of ownership of the property or written permission of the owner
 - f. Survey map or site plan, folded for mailing
 - g. Denial or referral of Building Inspector/Planning Board
2. You or your representative must appear at the informal meeting to present your request.
3. A public hearing is scheduled or a second review meeting is scheduled (if necessary)

4. Revised plans may be requested. These MUST be submitted fourteen (14) days prior to the scheduled public hearing. If not submitted on time the public hearing will be postponed.
5. ZBA members may review the property prior to the public hearing.
6. PRIOR TO THE PUBLIC HEARING:
 - A. Ten (10) days before the date of the Public Hearing each owner appearing on the adjoining owners list in compliance with the Town's Zoning Law must be forwarded a copy of the Public Notice by certified, return receipt mail. Receipts of the certified mailing must be delivered to the board at the public hearing. The adjoining owner's list is the responsibility of the applicant. The Public Hearing Notice will be provided by the Secretary of the ZBA.
 - B. The ZBA will place the public notice in the Legal section of the Sullivan County Democrat as notification to the general public as well as placed in two (2) public places within the Town.
7. Public Hearing will be held at 7:00 p.m. (2nd meeting) unless a different time is scheduled.
8. The ZBA, by State Law has 62 days from the close of the public hearing to render a decision.
 - a. You or a representative presents your case.
 - b. In order for the Zoning Board of Appeals to grant a variance you must show practical difficulties or unnecessary hardship. Please review the Zoning Law and Section 267b of New York State Town Law.
 - c. Section 267b of the Town Law of the State of New York reads as follows:
1. Orders, requirements, decisions, interpretations and determinations.

The Board of Appeals may reverse or affirm, wholly or partly, or may modify the order, requirement, decision, interpretation or determination appealed from and shall make such order, requirement, decision, interpretation or determination as in its opinion ought to have been made in the matter by the administrative official charged with the enforcement of such ordinance or local law and to the end shall have all the powers of the administrative official from whose order, requirement, decision, interpretation or determination the appeal is taken.

2. Use Variances:

- a. The Board of Appeals, on appeal from the decision or determination of the administrative official charged with the enforcement of such ordinance or local law, shall have the power to grant use variances, as defined herein.

- b. No such variance shall be granted by a Board of Appeals without showing by the applicant that the applicable zoning regulations and restrictions have caused unnecessary hardship. In order to prove such unnecessary hardship the applicant shall demonstrate to the Board of Appeals that for each permitted use under the zoning regulations for the particular district where the property is located.
 - 1. The applicant cannot realize a reasonable return, provided that lack of return is substantial as demonstrated by competent financial evidence;
 - 2. That the alleged hardship relating to the property in question is unique, and does not apply to a substantial portion of the district or neighborhood;
 - 3. That the requested use variance, if granted, will not alter the essential character of the neighborhood; and
 - 4. That the alleged hardship had not been self created.
 - c. The Board of Appeals, in granting of use variances, shall grant the minimum variance that it shall deem necessary and adequate to address the unnecessary hardship proven by the applicant, and at the same time preserve and protect the character of the neighborhood and the health, safety and welfare of the community.
3. Area Variances:
- a. The Zoning Board of Appeals shall have the power, upon an appeal from the decision or determination of the administrative official charged with the enforcement of such ordinance or local law, to grant area variances as defined herein.
 - b. In making its determination, the Zoning Board of Appeals shall take into consideration the benefit to the applicant if the variance is granted as weighed against the detriment to the health, safety and welfare of the neighborhood or community by such grant. In making such determination the board shall also consider:
 - 1. Whether an undesirable change will be produced in the character of the neighborhood or a detriment to nearby properties will be created by granting of the area variance;
 - 2. Whether the benefit can be achieved by some other method feasible for the applicant to pursue, other than an area variance;
 - 3. Whether the requested area variance is substantial;
 - 4. Whether the proposed variance will have an adverse effect or impact on the physical or environmental conditions in the neighborhood or district;
 - 5. Whether the alleged difficulty was self-created, which consideration shall be relevant to the decision of the Board of Appeals, but shall not necessarily preclude the granting of the area variance.
 - c. The Board of Appeals, in granting area variances, shall grant the minimum variance that it shall deem necessary and adequate and at the same time

preserve and protect the character of the neighborhood and the health, safety and welfare of the community.

9. IMPOSITION OF CONDITIONS:

The Board of Appeals shall, in granting of both use and area variances, have the authority to impose such reasonable conditions and restrictions as are directly related to and incidental to the proposed use of the property. Such conditions shall be consistent with the spirit and intent of the zoning ordinances or local laws and shall be imposed for the purpose of minimizing an adverse impact such variance may have on the neighborhood or community.

10. Applicant may be required to go to the Planning Board after the granting of requested variance(s).
11. Applicant will be required to contact the Building Inspector for required permits, if any.

***Short Environmental Assessment Form
Part 3 Determination of Significance***

For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

- Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
