Town of Forestburgh Newsletter

Board and Committee News:

For a copy of the minutes and/or agendas, please visit our website at www.forestburgh.net . While on the website, please check the calendar for upcoming events and meetings.

Town Board

The monthly Forestburgh Town Board meetings are usually held the 1st Thursday of every month at 7pm in the Town Hall, located at 332 King Rd., Forestburgh. The next Town Board meeting is scheduled for **Thursday, February 6, 2020 at 7:00pm** in the Town Hall. For the monthly agenda and meeting minutes, please visit the town website- forestburgh.net.

Planning Board

There being no applications or other matters presented to the Planning Board for its December meeting, no meeting occurred. An application for a 21 lot subdivision of the 500+ acre Cavalacci property at the “4 corners” intersection of Rt. 42 and Hartwood Rd, around Forestburgh Pond has been presented, and will be on our January 28 agenda. When it is presented in an electronic format, it will be posted on the Forestburgh.net website.

Zoning Re-Write Committee

The Zoning Committee will meet on February 11, 2020 from 7-9pm at Town Hall. We will complete our review of the Planning Board regulations, discuss map boundaries, review bulk table amendments and hopefully have time to discuss design standards and definitions. We also need to revisit parking and animal husbandry at some point.

Announcements:

Our Town (Submitted by Town Historian Sabina Toomey)

The Galligan family history video interview is now on the town website-forestburgh.net. Please, if you haven't done so, start documenting your family history. Consider the following New Year's Resolution (it's getting later than we think): Be Kind*Recycle Everything- Think about those two simple concepts. If we all try it is possible to save the planet and ourselves, and those we love. Good Health and Love in the New Year!

Highway Department

As the snow falls, please remember to not push your snow out into the road or across the road. Not only does it make for hazardous conditions but it's against the law. While the weather has been nice we've been doing ditch work. As a reminder sand and salt shed is full for residents use only. Stay warm and safe as winter continues.

Forestburgh Friends For Fitness (F4) (As Submitted by Karen Ellsweig-Forestburgh Community Health Champion)
Happy Healthy New Year to my Fellow Forestburgh Friends for Fitness (F5?). We have an exciting year ahead. On **January 15**, we welcomed Richard Mandelbaum, who helped us learn about “Using Herbal Medicine in the Modern World.” Next month, on **February 19**, our presenter will be Danielle Cassidy. She will speak about “Emergency Medical Services and the Community.” Danielle has lived in Forestburgh all her life, and was the first female firefighter for the town. She has served our community in that capacity for over 19 years, and has also been an Emergency Medical Technician (EMT) since 2004. **CONTINUED ON BACK...**

Danielle has responded to many emergency calls and will describe her experiences and how we can be best prepared if EMT's have to come to our homes.

Looking forward, please mark your calendars for these upcoming events: **March 18** - Mindful Eating; **April 15** - Know the 10 Signs of Alzheimer's Disease; **May 20** - The Amazing Practice of Reiki; and **June 17** - Healthy Living! More details to come

And, starting next month, look to this column for a sampling of attendee comments about F4 meetings/presentations. All meetings take place on the 3rd Wednesday of the month in Forestburgh Town Hall, Lower Level, from 5:30 to 6:30 pm sharp. Please join us for one or all of these classes and bring your friends, relatives and associates, whether residents of Forestburgh or not.
