

The Town of Forestburgh has received a very limited supply of COVID 19 test kits.

The Kits were sent to Sullivan County by New York State and distributed to all towns based on population.

We have a very limited supply and will distribute what we have on a first come first serve basis between 10 am and 2 pm Monday through Friday through the bookkeeper's office at the Town Hall located at 332 King rd.

Kits have 2 tests each and will be limited to 1 per household. Proof of residency is required to get a kit.

We do request that those that can afford or have access to kits elsewhere do so and leave the limited supply for those that may not be able to afford or get a kit.

Sullivan County is anticipating delivery of more kits and when they do, we will make them available as well.

Dan Hogue
