3-Lot Subdivision  
Road & Gun Club Rd.  
SBL #12-1-3.1

Dear Chairman Robbins,

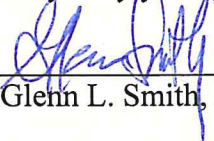

In response to comments and requests for information by your board at last week's public hearing for the above-noted project I have attached the following:

1. "Birchwood Estates 3-Lot Subdivision Map" by Anthony Siciliano, L.S., dated February 22, 2022. This map also shows the proposed drainage easement for the ballfield runoff water to access the existing stormwater basin.
2. "Forestburgh 3-Lot Subdivision Plan" sheet #1, dated Rev. 2 - 2/25/22, which was updated to match the survey map's bounds; and we added note #3 (no driveway post lights) and note #4 (references drainage easement).

I will have copies of these plans delivered to Jacy Ricciani's office and Gottlieb Engineering today for review and comment. It would be appreciated if this project could be scheduled for final review at your March 22<sup>nd</sup> meeting.

Thank you.

Very truly yours,
