For 3-Lot Subdivision
SBL #12-1-3.1, (T) Forestburgh

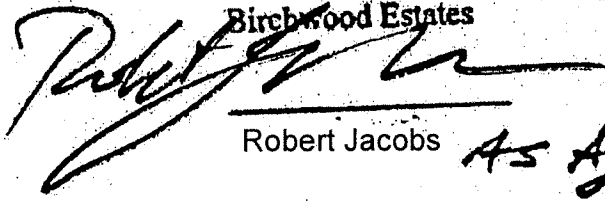

Chairman Robbins,

Regarding the Special Use Permit and Site Plan Approval issued by the Forestburgh Town Board on January 27, 2015 for a proposed daycare building on the above-noted parcel, that building project was subsequently abandoned.

As requested by your board at the February 22, 2022 meeting, it is agreed that the Special Use Permit can be surrendered back to the town.

Thank you

Sincerely,
