Winter HOURS

Winter hours will remain 7:00 am to 3:30 pm, Monday through Friday.

Winter

Some winter reminders:

- Sand will be available outside the town barn for town residents only. Keep in mind to leave the shovel for other residents. Our last one was taken.
- Snow, when plowed by residents or contractors, should be kept off the roadway and cleaned up. When left in the road it can harden and freeze and cause damage to a car or plow. The resident may be subject to a fine.
- Residents are asked to keep their garbage cans off the road so that they are not hit by our plows.
- Residents who may need assistance loading sand into their vehicles, contact the highway department.
- Checking roads while the weather been good.
- Got a head start on stone for this year's paving.

Highway Cones

There have been numerous highway road cones taken from the town roads. These are there for a reason, so please return to the Town Highway Department. If I see cones being used for any other purpose than for the highway department I will pick them up.

Let me know if you have any further questions or concerns.

Thank you

Joseph Ruggeri
Highway Superintendent
