Announcements:

2024-2025 Hunting & Trapping Updates & Changes

Hunting and Trapping licenses go on sale Thursday, August 1, 2024! The big news this season is the transition to printing licenses and tags on plain paper. The online version of the 2024-2025 Hunting & Trapping Regulations Guide is available on the DEC's website at <http://www.dec.ny.gov/outdoor/37136.html>

Dog Control Officer

Reminder to all dog owners: by law all dogs must have current RABIES vaccinations and be licensed. Rabies and license tags must be attached to the dog's collar or harness at all times. Sullivan County offers free rabies clinics throughout the year in various locations, or your veterinarian will administer the vaccine. There has been a significant increase in abandoned dogs, dogs roaming loose and bite incidents. Letting dogs run loose is not only illegal it also creates a safety hazard for the public, the dog and other pets. Please be a responsible dog owner and a good neighbor.

Highway Department

We are working on a pipe on Rod and Gun Club Rd. and we're going to start preparing for winter! There are still potholes to patch and ditches to be ditched. If you have any questions, call the highway department (845)794-8069

Forestburgh Fire Company

Forestburgh Fire Annual Roast Beef Dinner will be held September 28th from 4pm to 7pm. \$15 eat in or take-out. Fire Commissioners Budget workshop September 10th and public hearing October 15th.

Welcome to our Newly Appointed Building Inspector

At the September board meeting the Town Board appointed Kaitlen Madison-Castillo as the Town's new Building Inspector/Code Enforcement Officer. Kaitlen previously was appointed to serve as deputy building inspector and upon Glenn's departure, she was excited for the new challenge. We're thrilled to have her as part of the team!
