Forestburgh NY 12777-6523

Re: Clubhouse on Black Brook / Event Barn
Clubhouse / Trips 2 Win proposal
SEQR Lead Agency request
(T) Forestburgh, Sullivan County

Chairman Robbins:

We received on October 28, 2024 a notification that your board proposes being Lead Agency under the State Environmental Quality Review Act (SEQRA) for this project. The New York State Department of Health takes no position on Lead Agency designation, other than to say that it (DOH) does *not* seek to be Lead Agency.

This *might* require design review and approval by the Department of Health if it will meet the definitions of a food service or public water supply. The applicant's design professionals – New York State-licensed professional engineers or registered architects – should contact us to determine if it will require our approval of their plans. This is independent of your board's review.

You can email me at keith.mciver@health.ny.gov or call 845-794-2045 and ask for me. Our hours are 8:30 am to 4:45 pm week days, except State holidays.

Thank you,

Keith McIver
Assistant Engineer
